* The requested documentation may vary according to the internal rules of the Post Graduate Program

SELECTION COMMITTEE

Art. 8 The selection will be coordinated by a Selection Committee composed by members of the Program and designated by the Program Collegiate, as determined by Resolution 32/17-CEPE.

Art. 9º Candidate registration will only be approved with the presentation of the complete SIGA documentation

STEPS OF THE SELECTION PROCESS

Art. 10 The selection for continuous flow (foreigners) will occur upon evaluation of the curriculum, the research project and the interview, which may be carried out face-to-face or remotely.

§ 1 The interview will address questions about the descriptive summary of the project, curriculum Lattes and relevant issues at the desired level. The duration of the interview will be 20 to 30 minutes, to be scheduled by the selection committee.

GENERAL PROVISIONS

Art. 11 Public notices, ordinances, notices, communications and any other expedients related to this selection process will be transmitted, cumulatively, to the Program's electronic address, and their printed version will be posted on a notice board at the Program Office Administration (except for the pandemic period decreed by University ordinances)

Art. 12 The selected candidates must enroll in the Master's or Doctorate program of the Course on the date informed by the Program Office. Failure to register within the term implies the loss of the vacancy.

Art. 13 The classification of candidates does not imply a scholarship guarantee, the scholarships being allocated according to the availability of the Program and observing the rules of the Regulation of the Social Demand Program, according to CAPES Ordinance No. 76 of April 14, 2010.

Art. 14 The Program and the Federal University of Paraná are not responsible for financial resources for the payment of tickets and per daily rates, nor for housing allowance in Brazil. Successful candidates are responsible for all costs necessary to travel to Brazil.

Art. 15 Study visas are entirely the responsibility of foreign students. The visa must be valid for entry and stay in the country during the whole course.

PUBLICATION OF THE RESULT

Art. 16 The disclosure of the final result of the selection process will occur after the approval of the result at the PGAPV Collegiate Meeting, through the Disclosure Notice on the Notice Board of the Program Office and on its website (<http://www.agrarias.ufpr.br/portal/pgapv/>).
